25 <b>X</b> 1	5.,	The UB (Security Police) office for the county of Ostrow was located on the south side of the street leading to the railroad station east of the barracks installation.
25 <b>X</b> 1	. 5.	In the summer of 1950, a small Polish ration supply depot with railroad spur was observed at Szczypiorno (F 52/N 93), between the railroad line and highway from Ostrow to Kalisz (P 52/N 94). Two two-story brick warehouses, each about 35 meters long, were seen in the depot area. The installation had been used for the storage of army ration supplies prior to the war.
	7.	Soviet technical pattalion stationed in the free harbor area of Stettin (0.5%/ 0.55) was subordinate to the Soviet headquarters in the former home for aged pacple on ul. Piotra Skargi. The personnel of these units were black epaulets with con-wheel insignia. In addition, troops wearing red epaulets were noticed in the free harbor area. (h)
25X1	8,	No Polish or Soviet units were observed in Waldenburg (0 51/H 07) until September 1950. Polish Militia troops were quartered in the former city police headquarters in the northern sector of the town, on the west side of hed Army Street running toward Altwasser (0 51/H 07). Other Militia troops were located in enother police quarters. The Militia in Waldenburg were estimated at about 300 mem. (5) The UB office was located near the town square. A Polish recruiting of fice was also located in the town.
25X1	9	No Polish, Soviet or KBW (internal security) units were noticed in Waldenburg between 18 and 25 August 1951.
25 <b>X</b> 1	10.	No miletary installations or troop units were noticed in Znin (P 53/S 71) and Strohlen (P 51/H 58) on 13 July and 19 August 1951 respectively.
